

This is the Bleed area, you must bleed your artwork 1/8" past crop marks.

This is the shape and size that EnviroCoasters™ are die cut.

This is the Live Type area.
Keeping your type within this area will ensure that none
of your text is removed in die cutting.

PLEASE CREATE YOUR EnviroCoaster™ **ARTWORK**
USING CMYK Color Space FOR ALL TYPE,
PHOTOGRAPHY, AND GRAPHICS.

Grayscale photography is ok.

RGB files will NOT be accepted.
